## Summer Newsletter No.2

5<sup>th</sup> May 2017

Dear Parents/Carers

### Thank You!

I would like to take this opportunity to thank you for all of your support over the last two days, which is indicative of the support you have shown the school since I have arrived. The words, emails and responses on Parent View were much appreciated (as well as the cakes!). An Ofsted inspection is an opportunity for schools to improve, show the good progress of the children and what we make available to the children e.g. engaging curriculum, extra-curricular activities. It is also a time for self-reflection and to explore the current procedures. Throughout the many discussions no new surprises became apparent.

It takes approximately five weeks until the release of the inspection report. When the report does become available we will arrange a meeting with the school community to discuss the report. Once again I would like to thank you for your continued support.
