**Isaiah 40:31** But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

## Elm Class Pizza Making

On the 21<sup>st</sup> March our class, Elm, had a pizza afternoon. However, the preparation started on the 20<sup>th</sup> March, when we started to make our dough. This was really sticky and messy: it nearly went wrong. Then Mrs Mayne popped up and saved the day! We did everything (including kneading the dough!) This day ended with us leaving our dough overnight.

The next morning, the 21<sup>st</sup> March, we ventured into the kitchen. We started to roll out our dough into flour; this was to create a pizza shape. Next, we covered the base with BBQ sauce or Tomato Sauce. This was followed by a covering of Cheddar or Mozzarella and a fiesta of toppings, chosen by ourselves. We placed the pizzas into the oven and left it to cook for 15-20 minutes. At 2:30 PM the parents joined us to taste our pizzas. They were delicious, smokey and sweet. We all thought they were the right taste! It was the best Design and Technology project ever!
