4<sup>th</sup> October 2016

Dear Parents/Carers,

We would like to invite your son/daughter along to the early morning sessions to help them further progress in their maths and reading ability. These sessions will take place on **Tuesday, Wednesday and Thursday from 8am to 8:30am starting on Tuesday 11<sup>th</sup> October and finishing on Thursday 1<sup>st</sup> December.** Please can you come to the main entrance to the school at 8am.

The sessions will be run by either Mrs Sandon-Webb or myself. Initially the children will be working on the computer to improve their reading and maths skills, which can also be accessed at home. The children will play a selection of games and follow instructions to allow them to consolidate their learning as well as learning new skills. To do this we will be using Sumdog and Lexia. The teachers will be able to identify areas that need to be developed and assist the children in developing their skills.

Should you wish for your child to attend these sessions please fill in the slip below and return to me as soon as possible. If I have not had your reply slip back by **Friday 7<sup>th</sup> October** I will offer the place to another child.

Yours sincerely,

John Galvin  
Headteacher
