Premier Extra Curricular!

Premier has an exciting programme to **INSPIRE** your children to get active and stay active - all the way through their education.

Our **START Active** clubs provide structures, stimulating activities before the school day begins.

Our **SPORT Active** clubs give children the opportunity to engage and enjoy sport. They will develop their skills, no matter their experience. We focus on boosting each child's social skills and confidence too!

Our **INSPIRE TO COMPETE** clubs let children gain valuable experience with competing in sport. Children will be practising and preparing for the next inter-school competition where they can represent their school!

All our coaches are DBS (CRB) checked with Safeguarding and Emergency Aid certification.

Do something inspired today.
