

PETWORTH C OF E PRIMARY SCHOOL

BEFORE & AFTER SCHOOL ACTIVITIES – SUMMER TERM 2018

The activities are planned to give interesting, satisfying and challenging opportunities to those taking part. I would like to thank the school staff for volunteering more of their time to run these clubs to give our children these enriching experiences. In order to get the best from after school activities a high level of commitment is expected of pupils taking part, so that each child gets the best from the activities. If your child is taking part in any of the clubs please could you ensure they attend every week (unless they are ill) as there may be children on a waiting list for oversubscribed clubs.

Please discuss, with your child, the clubs on offer, emphasising the enjoyment they should get, then complete and return the attached consent form listing their first, second and third choice, to the school office as soon as possible. Clubs are allocated on a 'first come, first served' basis however we will try to ensure each child who wants a club place has at least one place. Thank you.
