Dear Parents/Carers,

Year 3 Free After School Sports Coaching Sessions

We would like to offer our all year 3 children the opportunity to take part in a new and exciting event to be held at Petworth Primary School. We are combining with two other local schools to offer a series of after school coaching sessions. These are totally free and will be run by staff from all three schools.

Our first session will focus on Hi5 netball skills. This is a game for boys and girls and ensures children experience playing in all positions on the netball court.

Children will be divided into mixed school groups and take part in a variety of skill focuses.

Children will be coached in:

- Ball skills – throwing and catching
- Defence, attack and shooting
- Moving around the court/game strategy

They will then have an opportunity to take part in a competitive game in their mixed teams.

Our aims:

- Teamwork with children from other schools
- Skills that can be used in other sports
- Friendly competition for everyone (not just the school team)
- Most importantly, fun.

Children will need their school PE kit and trainers if they have them, although school plimsolls are acceptable, and a water bottle. In the event of inclement weather these sessions will be held inside. Our first session will be on Thursday 3rd November from 3.15 – 4.45. Future sessions will be held at Petworth Primary School in the spring and summer terms for which we will advise you of the dates in due course. If you would like your child to take part, please fill in the consent form and return to the school office as soon as possible.

Yours sincerely,

Mrs J Duffy
Sports Coordinator

Please return this slip to the school office as soon as possible.
