23rd January 2020

Dear Parent/Carers,

We would like to invite all of year 4-6 children to a sleepover at school, which will have the theme of 'The Magic of Science', **on Friday 7th February 2020**. The children will have a fun packed evening culminating in all of them 'sleeping' in the hall.

During the evening the children will be:

- Creating art work, linked to the sky
- Taking part in a range of scientific activities
- Watching a DVD
- Listening to a bed time story

For the evening the children can bring in a change of clothes, which must be warm as we will be going outside. Also please can they bring in a couple of snacks, which they can have once school has finished.

For the evening meal we will be contacting our local chip shop and order the children a meal from there e.g. sausage and chips or fish cake and chips. We will also give the children water, squash and hot chocolate just before we settle down to sleep.

We would also like the children to bring the following in with them for the sleepover:

- Sleeping bag or blanket
- Roll mat
- Pillow
- Toothbrush and toothpaste
- Pyjamas
- Teddy bear (if they want)
- Toilet roll tube

To cover the costs of this event we would appreciate a donation of £9 and that you collect your child promptly at **7.30am on Saturday 8th February**. We will not be giving the children breakfast except a drink and some biscuits. Please pay the £9 donation via Schools buddy.

Please complete and return the attached reply slip by **Friday 31st January**.

If you have any concerns, please speak to your child's teacher.

Yours sincerely,
