

## Andréa Prior | Children's Author-Illustrator | Tuesday October 22nd

Dear Parents/Carers,

As part of The Petworth Festival Literary Week we are writing to let you know that our children will enjoy a special visit from popular children's author and illustrator Andréa Prior, who will be reading a selection of rhyming poems from her hilarious books.

These school visits are in partnership with the South Downs Poetry Festival and are designed to help fulfil the Festival's mission to bring their event to the heart of our community and for our children to enjoy reading poetry and rhyme, whilst having fun with literacy and language.

Andréa's rhymes are full of word patterns and wordplay and are an excellent way to help children with their reading skills. In addition to reading from her books, Andréa will talk to the children about where her ideas come from and share original sketches of her favourite characters.

This is a one off opportunity to buy a copy of Andréa's book/s direct from the author signed on the day of her readings. If you would like to order a personalized copy for your child, please state books and numbers required and return the order form before **Monday 21st October** with the money to the school office.
