Autumn Term No.3

Dear Parents/Carers,

Football Festival

On Friday 14th October, we took two football teams to MRC to participate in a football tournament where twelve teams were competing. Our teams , Petworth '1' and Petworth '2', played five games each in the league stages with the games each being five minutes long.

Petworth '1' won two and drew three games and only conceded one goal. Whereas Petworth '2' won two and drew three games and did not concede a goal. This meant that our teams had to play against each other in the third/fourth play off game.

In the play off games both teams had chances to score but the games remained goalless. This meant we had to have a penalty shootout. Every player took a penalty and it still remained a tie, so therefore both teams finished third.

Both teams played extremely well and they competed in the right spirit.

Rowan Class Church Visit

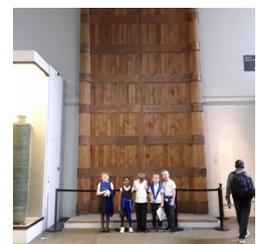

The children explored the church with Father Mark on Tuesday 8th October as part of their RE lesson.

Children's Work British Museum

My Trip Advisor Review by Maple Class

On Monday I visited your museum with my Year Four class. We learned so much and had so much fun. It is quite far from our school and we had to travel for two hours to get there but when we got there the things we saw was fascinating. My favourite thing was the Rosetta stone and the mummified cats. The stone was much bigger than I thought it would be and I can't believe I got to see it for real! The museum was really large and I loved the ceiling. It was busy but not too busy and we had lots of space to put our bags and eat our lunch just with our class. Visiting this museum was the perfect choice for our history topic as we are learning all about mummification and half of your museum is about the Egyptians! I give it 5 stars.

Year 6 PGL Little Canada IOW

The year 6 residential trip to the Isle of Wight was a great success: the children relished the opportunity to try some new outdoor adventurous activities ranging from abseiling to dragon boat racing.

Arriving on the Friday, after a short ferry journey, the children made their way down to the beach to paddle, look for beach treasures and devour their packed lunches. Once activities began, pupils were able to work on their team-building skills in a range of contexts and were encouraged to challenge themselves both physically and mentally. We were really impressed with the children's behaviour throughout the trip and the instructors commented on the positive attitude of the class.

For more detailed information about the children's trip, have a look at our class blog after half term where you will be able to find the children's recounts of their weekend away.

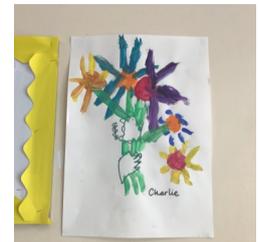

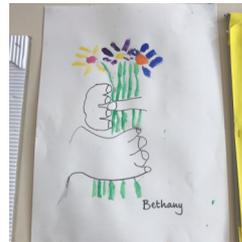

Ash Class

Year 1 have been learning to use new vocabulary such as 'more than', 'less than', 'greater' and 'fewer'. We have used the mathematical symbols to show greater and smaller groups with apparatus. We have also walked around the school, composing statements using our new words, such as "the Library has a greater number of books in it than the classroom". The children are moving on to sequencing numbers and using ordinal numbers to describe their sequences.

We have been studying the work of Picasso. After working on portraits in his style and reading "100 Picassos" and "Picasso's trousers", we created these beautiful paintings inspired by his "Bouquet of Peace".

Time Out Week

All the children used their orienteering and map reading skills in a scavenger hunt to find artefacts hidden in the school grounds as part of their History and Geography learning.

Dear Mr Galvin,

On behalf of Chichester District Foodbank, I would like to thank all of you at Petworth Primary School for your generous donation of food to help those who are in Crisis in the Chichester District. The project relies solely on donations from the community and we really value your support. Please pass on my thanks to the members of the church for their generosity.

For your interest the weight of the food you donated was 66.8 kg, which is very much appreciated.

Yours sincerely
Sarah Adams
Process Manager

Nut Free

Due to there being someone in school with a severe nut allergy, please **DO NOT** send your child/ren in with any food which contains nuts e.g. Peanut butter/Nutella sandwiches, walnuts, peanuts etc.

Healthy Snacks at Break Time

As we are a healthy school, please can you send your child/ren in with either fruit or cheese **NOT** chocolate. A small item of chocolate is allowed in lunch boxes only to eat at lunchtime.
