22nd June 2021

Dear Parents/Carers,

As you may know, you recently filled out a survey about our new school business – the sale of our egg-celent eggs. These eggs will be the product of our brand new flock of 23 chickens!

We were so pleased to see that over 70% of you are willing to help look after the chickens and collect the eggs during the summer holidays.

We are asking for your help at the weekends, from 24th July to 4th September. As so many of you are so keen to give us a hand, we are writing to ask you if you would be willing to help and when you would be available.

Here is a short list of things you would have to do:

- Feed the chickens
- Collect the eggs
- Pick up the poop
- Fill up the waters
- Wake them up and put them to bed

It is important to note that the chickens will need to be let out between 7.00-7.30am and put to bed at dusk (if possible).

As a small thank you, as the chicken carer, you will be able to keep up to six free eggs a day.

We will provide full details and instructions to whoever will be helping out.

Please feel free to speak to Mrs Dallyn if you have any further questions. adallyn@petworthprimary.co.uk

Yours sincerely

Zoe Pennicotte-Henri
