Dear Parents/Carers,

This is not the normal way I would like to share who will be teaching your children next year. Ideally, I tell the children first and the children have a transition morning with their new teaching team in their new classroom. However, due to present circumstances this cannot happen.

Normal transition practices have continued within school with the class teachers discussing the children. We are determined that the children will have as smooth a transition to their new class as possible.

The teachers have posted a short welcome film on the class blogs, which can be seen at https://www.petworth.w-sussex.sch.uk/website/class_blogs_1/459343. Below you can see who will be teaching each class:
