

## Photograph/Video Release Form

LEAF Education often takes photographs or video film for publicity purposes. These images may appear in our printed publications, website, or both. We may also send them to the news media and use on Twitter.

Before taking any pictures and carrying out any filming we need your permission.

Please answer questions 1 and 2 below, then sign and date the form where shown.

**1. Which of the children may we NOT use for photography which we use in publicity material produced, including printed publications, videos and our website?**

**2. We regularly send publicity material about our event(s), including photographs where appropriate, to the news media, especially the local press. Which of the children may not feature in this material?**

Please note:

That websites can be viewed throughout the world, not just in the United Kingdom where UK law applies.

This form will be kept for as long as the media is available.
