Dear Parents/Carers,

You will have seen that two sheep (as yet unnamed) have joined the school Farm. They are pedigree South Downs sheep and although they are shy, they are growing braver by the day! We hope the children will enjoy learning about them and how to care for them.

Their care is much the same as the goats - one or two visits per day (at a time convenient to you) to feed and give fresh water, during which time you can walk and play with the goats and feed the sheep by hand.

If you would like to care for the sheep and goats (NOT chickens or ducks) please complete the attached form and return to the Office or Mrs Wiggs in Ash Class. Further, detailed instructions can be given immediately prior to when you wish to care for them.

Thank you for your continuing support with our animals!

Yours sincerely

Clare Wiggs
