Dear Parents/Carers,

From next week the school is going to be taking part in another recycling initiative, focussing on collecting old plastic toys. However, for this campaign for the toys we collect we can apply for free books for schools, so we need as many toys as possible.

The toys can be broken, old or just unused. There will be a box in the front entrance from the week beginning the 11th October, where the toys can be placed.

As you know reading is always high on the agenda for the school and this may allow us to get more high quality texts into our classrooms and library. Please help us to get as many books as possible for the school.

Yours sincerely,
