5<sup>th</sup> September 2018

Dear Parents/Carers

Exciting news! We have some new additions moving in to our school. Chickens have now moved into the allotment area. We are setting up a timetable for our children (with a parent) to visit the school during the weekends to feed the chickens and collect their eggs, which you get to keep (once they start laying). We are also looking for volunteers during half terms and holidays to ensure our chickens get the best possible care.

Full training will be provided before you start and it will involve collecting a key on Friday when you collect your children and dropping the key back on Monday when you come back to school after the weekend.

If you would like to be on our list for feeding the chickens please complete and return the reply slip below.

We appreciate your continued support.

Yours Sincerely

Miss Rawlings

Rowan Class Teacher and Leader of KS1
