Autumn Term No.2

Dear Parents/Carers,

Chickens

The chickens have arrived at long last. They are settling into their lovely new home and the girls have even started to lay eggs. Thank you to all of the families who have so far volunteered to look after the chickens over the weekend and during the holidays. We had an amazing response.

St Mary's Church Visit

Rowan Class visited St Mary's Church last Tuesday as part of their R.E. lesson. They had a wonderful time exploring the church with Father Mark.

School Ambassadors

The School Ambassador role is a very important role in our school as they often show people around the school, complete jobs that I have for them and attend a variety of events, which often occur at the weekend. It was so good to hear that so many of our year six children wanted to be one of our School Ambassadors. Unfortunately we can only have two and so it is always difficult when we have to disappoint children. Nevertheless we live in a democratic society and the children and school staff all had one vote each and we are therefore extremely proud to announce that Sophie O and Ollie will be the School Ambassadors for this academic year.

Molly is British Champion

Striving to be the best we can, is always something we tell the children whether it is the best mathematician, musician or friend, it is the fact that we always try to improve. However when the very humble Molly, in Rowan Class, told us she had won something at Hickstead we obviously were very pleased for her. For any show jumper to compete at Hickstead must be very similar to a football player wanting to play at Wembley. To our astonishment she had participated in a competition at Hickstead with her pony May and become National Supreme Champion! A truly remarkable achievement and it was great to celebrate this with her during our assembly.

P.P.S. NEWSLETTER

Inspire, nurture, challenge.

Every child has a right to a life that meets their physical, social and mental needs.

We need your...LEGO!

As a school we are always looking for new ways to engage and motivate the children. To support our development of listening, turn-taking and patience we are hoping to set up a small Lego therapy group within the school.

To enable us to do this we are looking for any old sets of Lego, Mobilo or other building blocks and instructions. We would be really grateful of any donations we receive.

Thank you for your support, Laura Sandon-Webb

Roald Dahl Day

The children had an amazing time celebrating Roald Dahl Day and looked fabulous dressed as their favourite character. They took part in class activities and produced some wonderful work. Thank you for helping with their costumes and making the day special.

New SchoolsBuddy System

A welcome message to sign up to our new Schools Buddy system was sent to all the parents and carers with children in years 1 to 6 last week. The school will be using this new system for signing up for after school clubs, school trips, letters, newsletters, text messages, payments etc. Oak Class will be sent an invitation to join SchoolsBuddy over the next few weeks.

Whats App Parents Guidance

Please find attached a Whats App Guidance Leaflet, this leaflet can also be found on the school website by clicking on the link below.

For girls aged seven to ten

Brownies

'I had never climbed before. I was scared of heights. But I climbed and rang the bell all by myself and felt really proud of myself.'
(Poonam, 10)

Brownies offers girls exciting opportunities to take on new challenges, make brilliant friends and discover the world around them. They follow the Brownie Adventure programme in their unit meetings - they get adventurous, go to special events, day trips, sleepovers, camps and holidays. Brownies get the opportunity to make their own decisions, learn new hobbies, develop new skills and explore other cultures.

Find out more about Brownies at www.girlguiding.org.uk/brownies. Register your daughter at www.girlguiding.org.uk/joinus, or call 0800 169 5901.
