5th May 2021

Dear Parent/ Carers,

On the morning of Monday 17th May a company called WonderDome will be visiting both Elm and Rowan class, as part of their Space topic. Due to the pandemic, the children are unable to visit the planetarium, therefore we are very excited to be bringing the planetarium to them.

WonderDome Planetarium is an incredible way to learn about the wonders of space due to the unique environment the dome creates. There is specialised visual and audio equipment which projects onto the inside of the planetarium giving a 360-degree experience, which is totally immersive.

The school will be subsidising this event, however we kindly ask for donation of £3 for each child via the Schools buddy system for this event. We are looking forward to a fun, educational morning!

Kind regards,

Miss Furnell
Rowan Class Teacher
