5<sup>th</sup> October 2020

Dear Parents/Carers,

**‘Six Weeks In’ online videos**

Due to the current circumstances, we are unable to welcome parents into school for our annual ‘six weeks in’ coffee morning, where we share with you how we teach Phonics and Maths in school, as well as discussing ways that you can support your child’s learning at home.

In order to ensure that we still continue to share information with you, we will be uploading three separate videos onto Tapestry, our online learning journal, during the week of the 12<sup>th</sup> October. These videos will include information about how we teach Phonics and Maths in school, as well as a video to discuss the contents of your child’s home learning pack that we will be sending home on Tuesday 13<sup>th</sup> October.

We hope that these videos will be informative and that you will be able to use them to support your child’s learning at home. If you have any questions or feedback about your child’s transition to school, the videos or the home learning packs, please do not hesitate to come and talk to us as we are very keen to continue the strong home school link that we have in school.

Yours sincerely

Laura Fogden  
Oak Class Teacher
