9th July 2019

Dear Parents/Carers

We Are Fashion Designers

As you are aware Rowan Class are currently learning about our environment and the detrimental impact of our waste and pollution. We have been working hard on making a difference to our community with the three Rs - Recycle, Reuse and Reduce.

To teach the children about reusing unwanted items instead of throwing them away we will be holding a fashion designer morning. The children will be able to experience designing, tie dying and evaluating their work - taking an unloved item and making it funky and fashionable!

We are asking each child to please bring to school one item of unloved clothing, ideally an item that still fits, which is white. It could be an old school polo t-shirt, a pair of white pump trainers or even a scarf. We request that items are placed in a labelled bag and brought in to school on Friday 12th July.

We will of course be showcasing our wonderful creations at our class assembly on Wednesday 17th July at 2:40pm.

Thank you.

Yours sincerely

Miss Rawlings.
