

Reading at Home

Question Book

Key Stage 1

Reading is the cornerstone to learning and it is vital that your child can read, decode and understand what is happening in a text. We know that reading at home can be difficult to fit in, but it really is crucial - ideally at least 4 times a week. We also know that it is sometimes difficult to come up with questions to ask your child to move their understanding on when hearing them read.

This booklet gives you ideas on how to develop a child's reading ability and using the codes help us track their attainment. However it is imperative children enjoy reading and understand the importance of reading well. Try to ask a question from a different section each time you hear them read. You can note this in their reading entry. If you would like any help with how to use this booklet, please pop in to see your child's teacher.
