Dear Parents/Carers,

Year Six Diocese Leavers' Service at Chichester Cathedral

On Tuesday 28th June our year six children have been invited to participate in this year's Leavers' Service starting at 10.30am and will last for approximately one hour. This is a valuable experience for the children and you are also invited to join us. ***We have been asked to arrive at the Cathedral at 10am.***

Once the service has finished we will be having a quick picnic in the grounds of the cathedral, therefore please can your child bring a packed lunch. Please do not pack fizzy drinks or glass bottles. ***If your child has a paid hot school meal, please do not order one for this day.***

As a treat for the children, we have organised a one-hour session at Air Arena starting at 1pm. If your children has Air Arena socks please can you ensure they bring them in a bag, however if they do not have the correct socks please could you send in £2 so the children can purchase them prior to their bounce. In addition, please can you complete Air Arena's waiver at

We will be transporting the children to and from Chichester in a minibus. We will leave school at 9.15am and return by the end of the school day.

Please can you complete the attached consent form and return it to the school office as soon as possible.

Yours sincerely,
