14<sup>th</sup> November 2018

Dear Parents/Carers,

Oak Class have been working really hard during the last half time on their Reading and Writing skills. As we continue to learn more sounds, we are now also beginning to focus on our letter formation and how to write the sounds correctly.

On **Thursday 29<sup>th</sup> November at 2.30pm**, there will be a workshop in the school hall. I will briefly talk about the importance of strengthening both gross and fine motor control and how these skills are interlinked. Oak Class will then join us in the hall to take part in different gross and fine motor activities. This will give you a chance to gather ideas of activities that you could try at home, as well as having the opportunity to ask any questions you might have about your child's development in their gross and fine motor skills.

In order to gain an idea of numbers, I would be grateful if you could fill in the form below to let me know if you are able to attend.

Yours sincerely

Laura Fogden
