FREE ENTRY & FREE PARKING

**Petworth CofE Primary School
South Grove, Petworth GU28 0EE**

Dear friends of Petworth CofE Primary School,

Welcome to our annual Summer Fair.

It is so good to write that phrase again after two years without a summer fair, which is a time when a community comes together, plays games, has a bite to eat, drink and of course raise some money. This event, like so many others, would not take place without our incredibly dedicated PPSA (Petworth Primary School Association) team, who have given up hours to organise this event for us all to enjoy. I am very much in awe of all of the voluntary work they do for our school. We are very fortunate to have such an organised and proactive team, who endeavour to raise money for every child in the school. Our PPSA have paid for many extras for our children, which include our minibus, books, visiting theatre group, contributions to trips, IT and playground equipment.

Our school is very grateful to all of the local businesses who help support this event and the school throughout the year. I want our school to be at the heart of the Petworth community, and we are extremely grateful for the various opportunities local businesses and charities offer our children. Once again, our Year Six children have been learning about enterprise, so please visit their stalls, give feedback and enjoy the various activities they have organised.

Finally, we would like to thank you for turning up and having a go at some of the activities on offer for you today. Have a cuppa and enjoy the wonderful surroundings.

Please be reassured that every penny that is raised today will benefit all of our schoolchildren.

Thank you.

John Galvin

Headteacher

Whilst adverts are printed in good faith, the PPSA does not endorse products or services that appear in this programme. We cannot be held responsible for errors, omissions or claims made by contributors.

Dear All,

We'd love to give a big welcome to all of you, who are supporting our 2022 Summer Fair.

The Summer Fair is one of the PPSA's last events of the school year and we hope to go out with a bang! We have worked hard to transform our venue into an environment where families can enjoy the view, the animals and of course the stalls. We hope you enjoy all the fun and games we have lined up for you!

This year's PPSA fundraising events have once again been stifled by Covid, however we have still organised many activities, including: two school discos, Mothers/Fathers sale, Freeze Friday, Easter egg hunt, Elfridges and a remote Christmas Fair. We would love the Summer Fair to be just as successful as in previous years.

As always, all monies raised go towards the subsidising of extra-curricular outings, activities and equipment enjoyed by the children of the school. This includes the pantomime, art equipment, cooking equipment, software subscriptions, furniture for the library, gazebos for both the PPSA and the school to use and much more.

Finally, we would like to say thank you to Mr Galvin and his team for their support and assistance. But, most importantly, we'd like to say a massive thank you to all of you for your continued support throughout the year. Without it we wouldn't be able to carry on fundraising for the school and our children.

We hope you all have a great, fun filled day and enjoy our Summer Fair!

From all the PPSA

Our Attractions

We've got so much happening at our Summer Fair this year.
Make sure you don't miss anything!

Main Raffle

NICOLA DONNELLY-CLARK

CHIROPRACTOR / SPORTS MASSAGE THERAPY

Chiropractic care may be used regularly to help maintain good posture, promote health and improve performance, no matter what it is you do, from a high-performance athlete to someone enjoying a potter in the garden!

Some of the conditions that be helped:

- General, acute & chronic backache
- Joint pains, including hip and knee pain from osteoarthritis (OA) (as an adjunct to core OA treatments and exercise)
- Shoulder complaints (dysfunction, disorders and pain)
- Mechanical neck pain (as opposed to neck pain following injury i.e. whiplash)
- Migraine prevention
- Sciatica
- Ankle sprain (short term management)
- Elbow pain arising from associated musculoskeletal conditions of the back and neck (but not isolated occurrences)
- Minor sports injuries and tensions

And More!

Also I am qualified to perform the Epley Manoeuvre, a treatment for BPPV
