Dear Parents,

**Greenpower Goblin Car**

This week the children in Willow Class will be exploring the importance of renewable energy and one aspect will be investigating a Greenpower Goblin battery powered car. The car has been put together and checked, but I would like every child to have a go at driving it over the next few weeks. The children will wear overalls and a crash helmet.

If you allow your child to drive the car, please can you complete the slip below and return to the office as soon as possible.

Yours sincerely

John Galvin  
Headteacher

.....  
Please return to the school office ASAP.
